

# Life after Laurus Careers Programme

In addition to the baseline offer detailed below, all departments provide opportunities within their subject to link curriculum learning to careers. Students throughout their time at Hazel Grove High School are additionally given regular opportunities to listen to talks from a wide range of employers and employees. These range from author talks to visits from politicians and leaders of industry. Our Key Stage 4 and 5 students are also able to take advantage of a wide range of opportunities through GM Higher. All students receive individual careers guidance both at Key Stage 4 and Key Stage 5.
