

Professional Development, fully funded

With the *National College of Education* and *Laurus Institute*.

The National College of Education is delighted to be working in partnership with Laurus Institute to provide high-quality leadership development programmes across all schools, for leaders at all levels.

In collaboration with Laurus Institute, the NCE is bringing fully funded leadership programmes to the Greater Manchester region and beyond. Programme fees are met by your apprenticeship levy contribution, meaning that as the learner, you'll pay absolutely nothing, whilst receiving universally recognised qualifications that will accelerate your leadership trajectory

The support you will receive is unrivalled, with many of the NCE tutors highly-experienced former school leaders, whose single goal is to see you achieve.

Since the NCE's inception in 2017, it has welcomed over 3,000 learners to its programmes from schools across the UK, creating one of the biggest movements in school leadership history.

For Emerging Leaders

12 months • Team Leader/Supervisor Apprenticeship • Online portfolio and professional discussion

This 12-month programme provides emerging leaders in schools with the opportunity to start their leadership journey. The Future Leaders Programme sets a new standard in its depth of content, quality of learner experience and coaching expertise.

For Middle Leaders
