The Laurus Vision is for everyone regardless of background or circumstance to be inspired, to thrive in all environments, to recognise what it takes to succeed, to set aspirational goals and work hard to achieve them.

Purpose of this policy

The purpose of this policy is to help all members of our Laurus Trust Primary School communities to understand the processes involved in ensuring quality teaching and learning. It is intended to give guidance on, and in doing so, lay down expectations of outstanding practice and explains how this is sustained through rigorous monitoring. Individual subject guidance provide a further breakdown of how this policy will be implemented across all aspects of teaching and learning.

The elements in the following table are what we perceive to be the 'essentials' of high quality teaching and it should be noted that at any one time a number of initiatives will be running in order to ensure high standards are maintained and these will be detailed either in related 'useful references' or can be discussed with relevant school staff.

Core principles	What outstanding 'looks like'	How we achieve this									Useful references	How we monitor it
		Appraisal & monitoring	Professional Learning	Sharing best practice	Expectations of progress	Curriculum coverage	Assessment for/of learning	Behaviour for learning	Marking and Feedback	Quality first teaching		
Teaching that leads to Progress	Much of the teaching is outstanding and never less than consistently good. As a result, almost all pupils including disabled pupils, those who have special educational needs and those for whom the pupil premium provides support, are making rapid and sustained progress.	✓	✓	✓	✓	✓	✓	✓	✓	✓	<ul style="list-style-type: none"> School specific Teaching and Learning Handbooks Trust Assessment & Target Setting Policy 	<p>The monitoring of all aspects of Teaching and Learning at Laurus Trust Primaries is carried out by SLT and SMT through a number of ongoing routines:</p> <ul style="list-style-type: none"> Regular monitoring of core subject areas Monitoring conducted by Subject Leader (of planning, lessons and pupil outcomes) Book moderations In-house Analysis of school data External SIP checks including annual achievement visit and analysis of external data Termly Pupil Progress Reviews Pupil Voice
